- **Financial Evaluation:**

The Financial Bids shall be opened of only those Bidders who have been found to be Technically Eligible. The Financial Bids shall be opened in presence of representatives of Technically Eligible Bidders, who may like to be present.

- **Final Evaluation of the Bids:**

The final selection of the Bidder will be based on **QUALITY AND COST BASED SELECTION (QCBS)**.

There will be **70% weightage for Technical Evaluation** and **30% for Financial Evaluation**.

- **Method of Selection:**

In deciding the final selection of qualified Bidder, the technical quality will be given a weightage of 70% on the basis of criteria for evaluation. **The Financial Bids of only those bidders who qualify technically will be opened.** The proposal with the Lowest Cost will be given a Financial Score of 100 and the other proposal(s) will be given Financial Scores that are inversely proportional to their prices. The financial proposal shall be allocated a weightage of 30%.

For working out the Combined Scores, WBSSC will use the following formula:

Total Points: $[0.7 \times T(s)] + [0.3 \times 100 \times \text{LEC}/\text{EC}]$, where T(s) stands for Technical Score, EC stands for Evaluation Cost of the Financial Proposal, LEC stands for Lowest Evaluated Cost of the Financial Proposal.

The proposals will be ranked in terms of Total Points scored. **The Proposal with the Highest Total Points (H-1) will be considered for Award of Work.**

Example: *If, in response to this NIT, three Bids, A, B & C are received and the Evaluation Committee awarded them 75, 80 and 90 Marks respectively, all the three proposals would be technically suitable. Further, if the quoted Financial Bids of A, B & C are Rs.120, 100 and 110 respectively, then the following points for Financial Bids will be given:*

A: $100/120 = 83$ Points

B: $100/100 = 100$ Points

C: $100/110 = 91$ Points

In the combined evaluation, the process would be as follows:

Bid A: $75 \times 0.7 + 83 \times 0.3 = 77.4$

Bid B: $80 \times 0.7 + 100 \times 0.3 = 86$

Bid C: $90 \times 0.7 + 91 \times 0.3 = 90.3$

Bid C would be considered the H-1 and will be considered for Award of Work.
